

KIDS CARE CLUB...

getting students involved in the community through service activities.

Food Drive - November

Students participating in the Food Drive will be responsible for collecting food items in the neighborhood and encouraging participation from their classmates to bring food items to school before the Thanksgiving holiday. The food items will be donated locally, to the Peoples Resource Center, and to the Englewood community, which is where our Sister School is located. Students may also have a chance to help sort and stock food items at the Peoples Resource Center.

Holiday Caroling - December

Students will have the opportunity to bring joy to our senior population, residing in either Manor Care in Hinsdale or Plymouth Place in LaGrange, by singing holiday songs to them and visiting after. This activity is sure to bring happiness to both the carolers and the seniors...spread the holiday spirit!

Spring Clean Up - date to be determined

Armed with a broom, rake and beautiful spring flowers, students will help transform areas around the school community. The students will help decide which areas we will clean. Will the beneficiary be the Hinsdale Police Department or Hinsdale residents who could use a helping hand? Get involved in this committee and help decide!
