Dear Lane School parents and staff,

On behalf of the faculty, staff, and students at Claremont Academy I would like to thank you all for your very generous donations of various items for our Mothers Day Shop. I, along with some volunteers, will "open shop" next Wednesday and the children of Claremont will "shop" for the perfect item for their moms/guardians. I know that the children will be very appreciative of the items that you have donated and will have a great time choosing a special gift.

There are many homeless and low income children who attend Claremont and this may be the only opportunity that they have to give their mothers or /guardians a token of their appreciation. You are definitely making a difference in the lives of the children at Claremont Academy.

It is heartwarming to know that there are caring people like yourselves. We really appreciate your generosity. Our hope is that you and your family receive God's many blessings in the years ahead.

Sincerely,

Pat Laschober  
Parent Coordinator
