

# The Lane School

## Science Fair

**The Lane School's eighth annual Science Fair  
is scheduled for  
Thursday, February 2, 2012**

How can you be a part of this great school event?

- Print out this form.
- With your parents' help, take a few days to think about what research project or experiment you would like to enter in the Science Fair. You may work with a sibling or with a classmate, but first make sure that you and your partners can all allow extra time to collaborate!
- If you submit your completed registration form and your \$5 entry fee to your teacher by December 13 and you can receive your board before break. The entry fee and registration forms are due **for each individual participant** even if you are sharing a board since it covers both the board and giveaways for all participants.
- Have fun experimenting!

How can I figure out what would be a good experiment?

What is a hypothesis?

Where can I find some cool ideas to try?

How will my project look at the Fair?

For the answers to these and other questions, read through the Science Fair information packet available online at [www.thelanepito.org](http://www.thelanepito.org). If you have any questions please contact Dalia Custardo at [dcustardo@yahoo.com](mailto:dcustardo@yahoo.com) or Jane Wurster at [janeylouwu@aol.com](mailto:janeylouwu@aol.com) or Cindy Vogel at [chv2@ntrs.com](mailto:chv2@ntrs.com).

# Registration Form

**Early Registration Due: December 13, 2011.** If you complete and submit this registration form with your \$5 fee, you can receive your board before break.

**Final Registration Due: Tuesday, January 10, 2011.** You can pick up your display board on January 12 or January 20 from 3-3:30 p.m. in the school lobby.

Student's name: \_\_\_\_\_
